Commonwealth Will Ask For First Degree Verdict In Trial of J. K. Foltz

Testimony Will Be Introduced
to Show Act Was Pre-
meditated.

JURY IS COMPLETED

Third Time in Four Murder Cases
Called During Term. Makeup in
Nine Men and Three Women Last
Three Members Placed Today.

With court history of the term
twice repeating itself in the makeup
of the jury—nine men and three women—
taking of testimony was begun
this morning in the trial of Jacob K.
Foltz, of Dunbar, for the murder of
Benjamin H. Youngkin in Connellsville
last fall. In three of the four murder
cases of the term the jury was com-
posed of nine men and three women.
From a special venire called from
McAllellandown, Massena and
Brownsville, counsel today selected
the remaining three jurors. Two of
them were women.

To Miss Helen Harris of South
Brownsville, the first selected, court
procedure was a mystery. She had
never been in a courtroom before, she
said in reply to questions, and it was
necessary to explain details to her.

Mrs. Ruth Newcomer, a housewife
of McAllellandown, qualified as No.
11. John Matia, a Brownsville coal
operator, was selected into the 12th
seam teammen were examined.

To secure the three jurors about a
dozen teammen were examined.
The examination of Mrs. Catherine
Brooks of Brownsville, who was
challenged peremptorily, revealed
that her mother is a juror on the reg-
ular panel for the week.

Within five minutes after the last
juror had been chosen Assistant Dis-
trict Attorney Dean D. Sturge began
the outline of the Commonwealth's case.
He said an effort will be made to
prove that the killing was premeditated.
The Commonwealth will ask for
first degree.

Dr. H. J. Coll of Connellsville was
the first witness called. Dr. Coll
testified as to the wound.

Dr. H. A. Helke of Uniontown testi-
fied to examination of the organs of
the body. "There was no wound," he
said, indicating that the wound was
the cause of death.

Fayette county's first all women
jury served in an assault and battery
case heard yesterday. The verdict
returned after a short deliberation
was "not guilty." The costs be-
hind divided. Lewis Schwartz was pro-
secuted by A. Blumberg on a charge
of assault and battery, the case being
heard before Judge J. C. Work. Two-
thirds of the costs were placed on the
prosecutor and one-third on the de-
fendant. The members of the jury
were: Mrs. Beale Stator, North
Union township No. 1; Mary L. Ste-
wart, Luzerne township No. 2; Mrs. L.
B. Murphy, North Union township No.
2; Mrs. Cora R. Jordan, Monaca-
township No. 1; Louise Bernhardt,
Uniontown; Mrs. Lucy Jones, Con-
nellsville; Mrs. Laura Davis, Tyrone
township No. 3; Heister Rohe,
Connellsville; Mrs. Charles Harbison,
Massena; Mrs. F. G. Roden,
Georgetown No. 2; Miss Emma
Jones, Connellsville.

MURDER THEORY IN DEATH OF WEALTHY WOMAN PHYSICIAN

KANSAS CITY, March 18.—The
body of Dr. Zoe Wilkins,
pretty boy of wealthy men, was in the
morning here today as police delved
into the mysterious life of the woman
physician, six times married, in the
belief she was murdered by those
who knew of rich gifts she had re-
ceived from her many husbands.
The woman's body, a wide gash in
her throat and forehead, and her
torn breast, were found in her home
office by a messenger boy last night.
The physician evidently had put up a
terrible fight for life. Her gown was
torn to shreds and furniture in the
room was turned topsy-turvy.
Police believe robbery was the
motive for the murder. They said
Mrs. Wilkins received more than
\$100,000 in stocks from one of her
former husbands. Rich gifts from
her other husbands also had con-
tributed to the woman's wealth.

MRS. W. H. BILLHARTZ DIES IN PITTSBURG FROM PNEUMONIA

Following a brief illness of pneu-
monia Mrs. Mabel Fount Billhartz,
wife of William H. Billhartz and a
former well-known resident of Con-
nellsville, died Tuesday night at 11
o'clock at her home in Pittsburg. She
was born in Connellsville about 50
years ago, a daughter of Samuel M.
Fount, deceased, and Mrs. Eliza Mar-
tina Fount of East Crawford avenue,
and continued to reside here until
her marriage some years ago. She
was a graduate of the Connellsville
High School. Her untimely death
comes as a great shock to her re-
latives and many friends in Connell-
ville.

Besides her husband and mother
she is survived by one son, William
Billhartz, and one sister, Mrs. W. G.
Gans of Pittsburg.

Mrs. Fount was summoned to Pitts-
burg Monday afternoon and was at
her daughter's bedside when death
came.

The body will be brought to Con-
nellsville, the time to be announced
later, for interment.

DUNBAR TOWNSHIP STUDENTS STUDY WEST PENN PLANT

The Junior physics class of the
Dunbar Township High school was
given a practical demonstration of
electrical apparatus yesterday by the
West Penn Power Company at the
South Connellsville plant. Twelve
members of the class, together with
the teacher, O. B. Zuercher, jour-
neyed to the plant, where they were met
by two representatives of the West
Penn. Dividing the students into two
groups, the representatives took them
on a "light-seeing" trip that more
than pleased them.

The attendants acquainted them
with the power plant apparatus, ex-
plaining its use. Besides this, they
answered questions which were
unnumbered.

The school officials feel that "ex-
perience is the best teacher" and re-
spected the cooperation of the West
Penn officials, who were willing to
help them in that respect.

The senior class planned to visit
the plant today.

Airmen Complete Second Leg of World Flight

By United Press.
MURKIN, Ore., March 18.—Three
planes of the Army's round-the-world
flight were here today, ready to take
off for Sand Point, near Seattle, on
the third leg of their 30,000-mile
journey.

Major Frederick Martin, command-
ing, and Lieutenant Smith reached
Burgess shortly before 4 P. M. yester-
day, completing a flight from Mather
field, Sacramento. The third flyer,
Lieutenant Wade, started from Mather
field with Martin and Smith but was
forced to land at Cottonwood, Cal.,
and did not reach the radiator of 5:30.
He said a precock of the radiator of
his machine had been left open,
necessitating the landing.

Coolidge Leading In Dakota Returns; Victory Claimed

By United Press.
FARGO, N. D., March 18.—President
Calvin Coolidge had a lead of more
than two to one in returns from cities
early today as the count of the pre-
sidential preference vote in North
Dakota progressed. Country pro-
tectors, however, rapidly cut down his
lead as they began reporting, and
Senator Frank Johnson's supporters
were confident he would win the Re-
publican preference. Coolidge sup-
porters were confident of victory by a
substantial majority.

With 287 precincts reported the
vote stood: Coolidge, 16,693; John-
son, 8,948; LaPollette, 5,312.
This represented about one-sixth
of the anticipated total vote cast.

Jap Flier and Four Men Die as Airplane Burns

By United Press.
TOKIO, March 18.—Lieutenant
Takahashi and his crew of four men
were burned to death this afternoon
when their airplane caught fire while
flying to their airbase near Tokio.

Undergoes Operation.
Mrs. Louis Stenger of Connellsville,
R. F. D., underwent a throat opera-
tion at the Connellsville State Hos-
pital this morning.

FOUR OFFICERS, 40 MEN GO DOWN IN JAP U-BOAT

By United Press.
LONDON, March 18.—Four officers
and 40 men have gone down in a
Japanese submarine which collided
with a warship off the coast of Sa-
sebo on the west coast of Honshu,
Kishu. 30 miles north of Nagasaki,
according to dispatches here today.
The submarine sank in 28 fathoms of
water.
Rescue workers are doing their ut-
most to reach the craft in hope the
crew may still be alive.

HOW WESTERN PENNA. CONGRESSMEN VOTED ON NEW BONUS BILL

WASHINGTON, March 18.—Of
the Western Pennsylvania Repre-
sentatives in Congress Henry W.
Temple of Washington, T. W.
Phillips, Butler, and James M.
Mason, Pittsburg, voted against
the Bonus Bill, passed by the
House yesterday by a vote of 355
to 54.
Representatives S. A. Kendall,
Fayette-Somerset district; A. M.
Wyant, Westmoreland; Stephen G.
Porter, M. Clyde Kelley, John M.
Morris and Guy E. Campbell, Al-
legheny county, voted for the bill.

Pittsburg Bars Active As Ever, Governor Told

By United Press.
PITTSBURG, March 18.—"Saloons
in Pittsburg are today as they have
been in the past, openly and boldly
defying the constitution of the United
States with their continued violations
of the 18th amendment," special in-
vestigators of Governor Pinchot re-
ported to the state executive today.

The investigators reported to the
Governor that high-powered, illegal
beer is being sold in saloons all over
the city and a great number of the
barrooms are boldly selling whiskey
at from 25 to 50 cents a drink.

"Special prohibition enforcement
and local police raid seem to have
made little impression on these
violators of the law," the report con-
tinued. "There is absolutely no
camouflaging of the sale of high-
powered beer. Many drunken men
were found in saloons all over the
city."

The report to Governor Pinchot
may mean that he will order a se-
cond detachment of state troopers into
Pittsburg to clean up the den of iniquity
which violates the dry law.

A force of 80 state policemen raid-
ed 21 alleged liquor dispensing places
yesterday and today notices of show-
up are being served on the saloon
proprietors.

The notices give warning to re-
move all bar fixtures and saloon ap-
paratus, such as serious before
doors and windows.

PITTSBURG, March 18.—State
troopers who yesterday staged 21
liquor raids in Pittsburg today were
preparing for a second smashing at-
tack against dry law violators here.
Eighty members of the state constab-
ulary will be ordered to "charge" on
the city again should investigators of
Governor Pinchot advise the executive
that an additional cleanup crusade
is needed.

The state troopers yesterday seized
several trucks of alleged beer, wine,
whisky and alcohol. Fifty-two
persons were arrested.

The men taken into custody waived
preliminary hearings and were held
under \$1,000 bonds each for a hear-
ing tonight.

It is understood that "padlock" in-
junctions will be asked against the
places raided to prevent the alleged
"drinking parlors" from further viola-
tions of the prohibition law.

Fire Does \$100,000 Damage in Ohio Town

By United Press.
WOODFIELD, Ohio, March 18.—
Fire of unknown origin here today
razed seven buildings and gutted an-
other structure in the heart of the
business section. Damage was es-
timated at more than \$100,000.

The fire is believed to have started
in a hardware store and it spread so
rapidly the fire department was un-
able to check the flames. Fire com-
panies from two surrounding towns
were summoned.

All telephone and telegraph com-
munication was cut off when wires
were broken by falling beams from the
burning buildings.

The buildings destroyed were frame.
No Immunity for Bergdoll.
WASHINGTON, March 18.—War
and State department officials yester-
day jointly announced that the Wash-
ington government would enter no
agreement as to extend immunity to
Grover Bergdoll as an inducement for
his return from Germany. The govern-
ment has taken no part in steps
to have the draft evader return.

Woman Given \$500 Verdict GREENSBURG, March 18.—A ver- dict of \$500 was awarded to Mrs. Mary Gies of Uniontown, formerly of Mount Pleasant, against the borough of Mount Pleasant in Judge William T. Don's court yesterday.

PNEUMONIA AFTER ACCIDENT FATAL TO M. L. MERANDA

Death Comes Late Tuesday Af-
ternoon at Connellsville
Hospital.

FOOT WAS AMPUTATED

Pneumonia, following amputation
of a portion of the left foot, Tuesday
afternoon at 4 o'clock caused the
death of M. L. Meranda, 40 years
old, Baltimore & Ohio engineer, at
the Connellsville State Hospital. The
day of his death was the 15th an-
niversary of the wedding of Mr. and
Mrs. Meranda.

The injury to the foot was sustain-
ed last Wednesday when he was
struck by another train while in-
specting his engine. The foot was so
badly crushed that amputation was
necessary, soon after his admission
at midnight. He was resting easily
the following day but on Saturday
pneumonia developed. It was suffer-
ing from a heavy cold at the time of
the accident.

Mr. Meranda was very well known
in railroad circles and was popular
here. Born at Sealsburg, Ind., the
son of Warren and Nancy L. Liddell
Meranda, he received his education in
that town and came west about 17
years ago. For a number of years he
had been an engineer on the Balti-
more & Ohio, running between Con-
nellsville and New Castle.

Mr. Meranda married Miss Jose-
phine Stillwagon, daughter of Mr.
and Mrs. J. W. Stillwagon of this city,
who survives. In addition to the
widow and his parents, he is survived
by three sons, M. J. Donald,
Mark and Kenneth Charles; two
daughters, Thelma Josephine and
Mildred Audrey, all at home; two
brothers, Edgar P. of Richmond, Ind.,
and George A. of Trenton, Mo.; two
sisters, Mrs. J. W. McMillough of
Troy, Ind., and Mrs. May
Hampden of Sealsburg, where his
parents also reside.

He was a member of the Christian
Church of this city. He was also en-
rolled in Division 50, Brotherhood of
Locomotive Engineers, and Fayette
Lodge Knights of Pythias.

The body was prepared for burial
by Funeral Director Charles C.
Schell and then removed to the
home at 1230 Chestnut street.

The funeral service will be held at
the home Friday afternoon. No hour
has yet been set. Rev. George Walker
Buckner, pastor of the Christian
Church, will officiate. Members of
the Brotherhood of Locomotive En-
gineers and of the Knights of Pythias
will perform their ritual at the grave.
Interment will be in Hill Grove
Cemetery.

Kiwanis Club Has Coker Basketball Squad As Guests

Members of the Connellsville High
School basketball squad, 17 in all, to-
gether with Coach Caskey Settle and
Lloyd Spangler and Student Manager
Edward Clark, were guests of the Ki-
wanis Club at the weekly noon lunch-
oon today. The boys were seated at
a table reserved for them.

Special decorations, in keeping with
the occasion, prevailed. Basketball
formed the centerpiece on every
table and from these orange and
black streamers ran towards each
end. A novelty souvenir at each
plate was a little piece of cake, tied
with a bow of orange and black rib-
bon, emblematic of "The Cokers."

Following the luncheon there were
short talks by the coaches, Captain
Ray Welch, Superintendent of Schools
B. E. Smith and W. G. Davis, principal
of the High School. Banks Brown,
president of the Kiwanians, told the
boys how proud the members were of
the achievements of the team and the
club demonstrated this by a rising
vote.

"It is an honor to entertain an in-
dividual or group of individuals who
have awakened community spirit and
 civic pride as you have this year,"
President Brown told the basketballers.
Every member of the squad was in-
troduced by Secretary A. B. Norton.
Mr. Handclapping greeted every ab-
sente as he arose and cheers of ap-
plause were added to this when Ray
Welch the most popular captain who
ever led a team in the school, was
announced.

The attendance prize, awarded by
L. Seelbach, was won by John J.
Brady. There was an attendance of
30 members and 37 guests.

George S. Connell, district trustee,
gave a report on the state convention
held at Williamsport.

German Ambassador Soon to Retire

By United Press.
WASHINGTON, March 18.—Dr. Otto
Wiedfeldt, German ambassador to
Washington, will relinquish his post
here in the "near future." It was
learned authoritatively today.

As yet, however, the ambassador
has not offered his resignation and
neither has the German foreign office
recalled him.

Rush at City Hall Of Applicants for Drivers' Licenses

The two members of the State High-
way Motor Patrol, in charge of ex-
aminations of drivers for licenses to
operate motor vehicles, were swamped
by applicants when they opened their
office at City Hall this morning. J. P.
Peck and John C. Wall are the mem-
bers of the patrol conducting the ex-
aminations.

Today marked the second date for
examination of applicants for operat-
ing licenses and the rush was far
greater than before. The members
of the patrol are here every first and
third Wednesday of each month.

Approximately 40 applicants were
examined during the morning and it
seemed that the men would be busy
throughout the afternoon. There were
no failures reported.

Vanderbilt Man Is Held to Be Nuisance

Upon information brought by John
Anderson of Vanderbilt, Charles New-
comer of Liberty was fined \$5 for be-
ing a "public nuisance" and "resisting
an officer" when arraigned before
Justice C. B. Arison at Vanderbil-
town morning. When Constable
Jerry Rikens attempted to arrest
Newcomer Saturday evening, the lat-
ter tried to get away and hit the
officer, but was quelled with a "billy."
Newcomer was charged with having
intimate relations with his daughter.
Newcomer's parents appeared before
the court and settled the matter.
Newcomer is under parole for a year.

JEWISH PEOPLE WILL CELEBRATE PURIM TONIGHT

The Feast of Purim will be cele-
brated at Congregation Israel last
evening, beginning at 6:30
o'clock. The services will be con-
ducted by Rabbi M. S. Kreines and the
children of the Hebrew school. Purim
has a tenuous hold on the affections
of the Jewish people who have ob-
served it annually in various ways in
different countries for many centuries
and still continues to do so. Apart
from reading the Book of Esther
completely, there is no distinct
ritualistic remembrance that must
be fulfilled on this day. But the read-
ing is enjoyed, by women as
well as men. It can be read in any
language understood by the congre-
gation.

The brief ceremony connected with
Purim does not complete the features
associated with its celebration. It
has been used as an occasion for
festivity and for giving charity. On
the strength of the sentence in the
text enjoining "sending of gifts and
portions to the needy," it has become
the practice in all countries of the
Dispersion to send dainties to those in
want and to make collections for the
needy. These donations were distrib-
uted without discrimination. Even
the non-Jew might receive a gift if he
were willing to accept it.

The practice of giving is still re-
tained, it being an uncommon thing
for specially prepared cakes and food
to be exchanged among friends and
kindred.

"The festive features of Purim have
become well established. In every
community merrymaking of some
sort is being planned. All the
Hebrew schools are planning a pro-
gram of songs and plays, based on the
story of Esther. In many homes, so-
cial parties will be held in honor of
the occasion.

Local Girl Held In Pittsburg on Blackmail Charge

Miss Frances Brosky, giving her
address as 15 Higo Row, Connell-
sville, is under arrest in Pittsburg
pending investigation of a threaten-
ing letter found in a mail box at the
home of William E. Graham, Sock-
ley Heights, Pittsburg. She was ar-
rested by Robert H. Braun, chief of
detectives of Allegheny county. The
writing in the letter is said to have
been similar to her own.

The letter demanded \$100 and
threatened burning of the home in-
less the ransom was complied with.
The girl denied sending the letter but
was held when a handwriting expert
stated the penmanship of the letter
compared closely with her own.

Scottsdale Gets 110th Battalion Headquarters

SCOTTSDALE, March 18.—Scottsdale
has been made headquarters for the
110th Battalion, 114th Infantry, in-
cluding companies A, B, C, and D,
under command of Major John J.
Kennedy of this place.

Should Scottsdale get a state arm-
ory building, as promised, for next
year, then in all probability the head-
quarters company of this battalion
will be stationed here.

Major Kennedy, Major J. L. Junk
and Lieutenant Joseph Kennedy were
in Washington, Pa., during the past
week, in a conference with other
military men relative to the battalion
headquarters at this place.

Robert Leckemby Clinging to Life

The condition of Robert Leckemby
of Smithfield, Baltimore & Ohio
breakman who is in the City Hospital
at Morgantown, W. Va., for treatment
of injuries suffered in a railroad ac-
cident last Friday at Point Marion,
was unchanged, according to word
given out by relatives who returned
to this city last night after spending
the day at the hospital.

The injured man is a son of John
Leckemby, well-known Baltimore &
Ohio engineer of Smithfield, and has
a number of relatives and friends
here. He is about 22 years old and
unmarried.

Delightful Birthday Party.
Members of Athens Temple No. 80, Pythian Sisters, who were born in February, were honor guests at a delightfully appointed birthday party given last night in the Pythian Hall at the close of the regular business meeting of the lodge. Honor guests were Mrs. Hattie Glass, Mrs. Laura Buskirk, Mrs. Louise Wagner, Mrs. Emma Ervin, Mrs. Jane Hughes and Mrs. Sarah Nixon. Each was presented with a string of jade beads. The hostesses, whose birthdays are in January, were Miss Emily Dobrick, Mrs. Anna Ferguson, Mrs. Nellie Pratt and Mrs. Helen Canoff. The luncheon was served at one large table and two smaller ones and was perfect in all its appointments. The decorations were in keeping with Saint Patrick's Day. Green carnations adorned the tables. The favors were small baskets adorned with miniature green pipes and filled with green mints. Four new applications for membership were received. A visiting sister, Mrs. M. M. Van Gordon of Portsmouth, Va., the guest of Mrs. Edward Marsh of South Pittsburgh street, was present.

Play at Selon Hill.

"Fabiola," an inspiring film tale of the early Christians in Pagan Rome, will be presented at Selon Hill College on Saturday, March 22. There will be two performances, one in the afternoon at 2:30, and one in the evening at 7:30. "Fabiola" is recognized as one of the finest inspiration pictures of today. Its success is due in part to the fact that the lead is played by Anthony Sorelli, the "John Barrymore of Italy." A large outside crowd is expected to attend.

Onward Class Meets.

The regular monthly business and social meeting of the Onward Class of the First Methodist Protestant Church was held last night in the church with Mrs. Charles Hiles, Mrs. Thomas Holt, Miss Esther Holt, Mrs. Robert McCormick and Mrs. John Yard hostesses. Twenty members were present. During the business meeting a goal for the annual Easter offering of the class was set and it was decided to reduce the amount through self denial. An effort will also be made to have the attendance larger than that of any previous Easter. Following the business session a social hour was held and dainty refreshments were served.

T. C. D. Class Meets.

An interesting meeting of the T. C. D. Class of the First Methodist Episcopal Church was held yesterday afternoon at the home of Mrs. L. S. Michael in Morrell avenue, Greenwood.

wood. There was a large attendance. Mrs. Michael, president of the society, presided. A very favorable report of the rummage sale held last week was given. Various plans for raising money were discussed. Banking days, to be observed every third month, enabling the women to bank money they have earned, was organized. The first of the banking days will be observed in May. The next regular meeting of the class will be held April 15, in the home of Mrs. S. T. Irwin in East Crawford avenue.

M. E. C. Club.

Lancaster-Pauli.

Announcement is made of the marriage of Mrs. Thelma Lancaster, daughter of Mr. and Mrs. Charles Lancaster of Coalingville and Orville Pauli, son of Mr. A. J. Pauli of Coalingville, solemnized Saturday evening at the parsonage of the Second Presbyterian Church.

Why Is It?

WHY is there more argument about coffee than any other item of diet. Coffee has always needed defense—one of the few articles of diet that does.

No doubt exists about the fact that coffee contains caffeine, a drug which doctors prescribe as an emergency stimulant for the heart and nervous system; and many coffee drinkers know from experience that for them, coffee causes nervousness, headache or stomach trouble.

Since so many people, including health authorities, have reason to question coffee drinking, can you afford to risk your health with it—when you can have a safe mealtime drink, such as Postum?

You will like the delicious flavor of Postum. It fills every requirement of a hot drink; and many former coffee drinkers even prefer it to the best coffee.

With Postum as your mealtime beverage, your system free of caffeine, and your sleep sound and restful, you'll realize that Postum has established its genuine value in health and comfort.

Postum

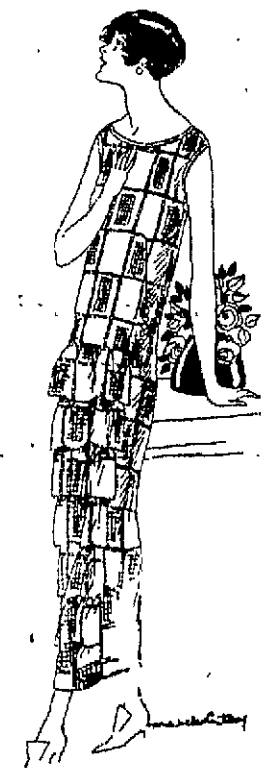

for Health

"There's a Reason"

Your grocer sells Postum in two forms: Instant Postum (in tin) prepared instantly in the cup by the addition of boiling water. Postum Cereal (in package) for those who prefer the flavor brought out by boiling fully 20 minutes. The cost of either form is about one-half cent a cup.

Keeping Millions Free From Colds and La Grippe

W. H. HILL'S LIFE WORK

Colds cause more illness than any other human ailment. Realizing this 50 years ago, W. H. Hill determined to develop a quick-acting scientifically correct cold and la grippe remedy.

Years of research brought success. Mr. Hill discovered a most remarkable formula. He backed it with energy, faith, integrity and a name that meant "satisfaction or money back."

Today more than 4,000,000 families—one-fifth of America's population—use and recommend Hill's Cascara Bromide Quinine.

The formula has never been changed in a quarter century. What Hill's has done for millions, it can do for you. Demand red box bearing Mr. Hill's portrait. All druggists, 30 cents.

Grim Reaper

MRS. CHARLES L. WORK.
The funeral service for Mrs. Ruth Arman, wife of Charles L. Work, who died Monday night in Pittsburg, will be held Thursday afternoon at 2 o'clock at the residence in Wills road. Dr. W. H. Hetrick, pastor of Trinity Lutheran Church, of which she was a member, will officiate. Interment will be in Hill Grove Cemetery. The body was taken to the home last evening by Funeral Director C. C. Mitchell.

Mrs. Work was an active church worker. She was superintendent of the Light Brigade and a member of the King's Daughters, Ladies Aid Society, Woman's Missionary Society and Daughters of Ruth Bible Class of the Lutheran Church. Had she lived until Monday she would have celebrated her 45th wedding anniversary. She was 25 years old. Mrs. Work was a graduate of the Connelville High School and also attended Irving College at Mechanicsburg.

MRS. MARY SMILEY.
The funeral service for Mrs. Mary Smiley was held this morning from her home at Mount Braddock, with requiem mass at 9 o'clock at the St. Aloysius Church at Dunbar. Interment was made in the church cemetery.

A CLEAR COMPLEXION
Ruddy Cheeks—Sparkling Eyes—Moist Women Can Have
Says Dr. Edwards, a Well-Known Ohio Physician

Dr. F. M. Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color. These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system. If you have a pale face, yellow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results. Thousands of women and men take Dr. Edwards' Olive Tablets—the successful substitute for calomel—now and then just to keep them fit, 15c and 30c.

British Ambassador's Voice Carries From New York to London

by United Press
NEW YORK, March 12.—The Pilgrims conquered new territory last night when the speeches of Sir E. Howard, new British ambassador, and Ambassador Jusarand of France were heard in London after being broadcast from the Waldorf-Astoria.
The speeches at the dinner tendered Sir Howard by the Society of Pilgrims was estimated by radio experts to have been heard by at least 500,000 in America and 50,000 in England.

Granite for Radius At Postoffice Sets City Back Just \$417

Granite comes high. That is what members of City Council learned when prices were received for a few feet needed for a radius curb at Apple and Arch streets, at the Postoffice. The lowest estimate was \$417 for the material alone.

The Postoffice Department has granted permission to the city to make a radius but has insisted that granite be used. The city will buy the material and contract for the work.

Timely Reminders from
Garden Tools—Farm labor is hard to get and high priced in many localities. Every large and small gardener or truck grower should study closely the field of labor-saving machinery and tools. Profits at the close of the year will largely be determined by the cost of production and not by the market price alone. Labor-saving tools will help to lower the cost of production.

For the Dairy Cow—This is a good time of the year to plan for a supplement of green feed or silage for the pasture when it begins to get short and dry in August. Oats and peas, alfalfa, millet, second crop clover and early corn are some of the crops which can be grown for green feed for these months.

Milk for Baby Chicks—Milk is one of the best feeds for baby chicks. It can be fed in the form of whole milk, buttermilk, sour milk, condensed or powdered milk.

Time for Legumes—Lack of time is one of the chief causes of failures with alfalfa and clover. Both require a sweet soil. Send a sample of soil from the field you intend to seed with alfalfa or clover to your county agent for a lime requirement test.

Forage for Hogs—Have you arranged to supply your "porkers" with plenty of forage this summer? For a unit of 20 to 25 spring pigs one acre of alfalfa or one acre of clover, with one acre of rape for July and August grazing, or two one-acre plots of Dwarf Essex rape make a good forage combination. The first rape plot is for early spring grazing and plot two gives fresh forage after number one gives out. Plot number one can then be sown again for late pasture.

SENATE BILL NOT YET A LAW.

The passage by the House, by a vote of 355 to 51, of the so-called Bonus Bill does not mean that it will become a law in its present form, or even after amendment. The measure lies to run the gauntlet of the Senate where the division of opinion and sentiment is more nearly equal than in the House. Many Senators are opposed to adjusted compensation for the veterans of the World War in any form. Others are opposed to the principle of the present bill and other members of the higher chamber hold divergent views on the proposition.

The paid-up insurance feature of the bill differs so materially from the deferred payment certificate feature of the old bill that the members of the Senate will require time for a study of the bill, particularly the Finance Committee which is now very much occupied with the tax reduction bill.

It is, therefore, almost impossible to forecast what form the Senate will finally give the measure and also to determine whether any changes that it may make will be acceptable to the House, or to President Coolidge when the bill eventually comes before him, if it does at this session.

The whole proposition has become so hot-bedded that the members of the Senate will be unable to give it the consideration it deserves. The result will be a measure that will be a compromise between the House and the Senate, and will be a measure that will be a compromise between the House and the Senate.

THE TRUCK IN LOCAL FREIGHT SERVICE.

The inauguration of truck service by the Pennsylvania railroad in handling local freight is a step in the modern evolution of transportation, made necessary by the changing conditions incident to the wider use of motor-driven vehicles.

Having greater flexibility of movement, both as to gathering and distributing local freight, and more economical in operation, the truck has been found to possess very decided advantages over the local freight train for comparatively short hauls. There being a saving of time in the movement of the truck has appealed to both shippers and receivers of merchandise heretofore handled by less than car load lots, as a better medium of transportation than the railroad freight car. In consequence there has developed a very considerable business in this line through the organization and equipment of truck companies, the service of which has become increasingly popular.

Nothing this trend in freight transportation has done to good business, and the probabilities of truck delivery and local freight train service, but the results obtained are evidently of such a character as to justify the innovation as an auxiliary to rail transportation.

There is no probability that the truck will drive the railroad out of business, no more than the trolley car has caused the railroad to suspend passenger service. The character of the latter has been changed somewhat just as the truck is changing the character of freight service. Suburban trains have been reduced in number with the extension and expansion of trolley systems, but the trolley continues to haul more people with each succeeding year. Very likely the same conditions will prevail as to freight transportation, the function of the railway more and more becoming to be that of a wholesaler in freight and passenger traffic, contrasted with the truck and the trolley car which are the retailers in such the same sense that local distributors are retailers and the manufacturers and jobbers the wholesalers in merchandise.

There is nothing alarming to the railroad in the evolution now in process in transportation. It may cause some shrinkage in revenues in certain sections or districts but it will not seriously affect the gross returns, especially if the railroad follow the example of the Pennsylvania and make arrangements to share in the profits of the trucking service.

On the whole the introduction of the truck as a supplementary freight service is to be welcomed by railroad patrons as giving assurance of more expeditious movement to traffic originating within comparatively short distances from destinations.

MOUNT PLEASANT HUNTING CLUB TO PROTECT GAME

Contents for Extermination of Vermin Will Be Arranged Shortly.

ELKS FETE MINSTRELS

Special to The Courier.

MOUNT PLEASANT, March 18.—The Mount Pleasant Hunting and Fishing Association has taken up the matter of preserving the game already in the surrounding territory. This was discussed at a meeting Tuesday and contents between this organization and others in the county or surrounding territory for the killing in season of vermin, and game destroying animals and birds will be arranged. Prizes will be offered to them, teams or individuals destroying the most of animals or for most points in the contest. The need for this is brought forth by the mind of the sportsman when they stop to think that the State Game Commission contracted for \$5,000 rabbits and will probably get 35,000, and will not get one-third the number of pheasants contracted for. Also there is to be considered the fact that Texas and Kansas, two of the states where the most rabbits were bought, are seriously considering laws to not allow any game to be sold outside the state.

A committee made up of William Galloway, chairman, William Matthews, W. Leslie Hixon, R. M. Miller, J. A. Suter, Ben French and Dr. John R. Madden will meet at the office of Dr. Madden this evening to work out details and plans for the contests. The organization also went on record as being opposed to the anti-pistol law that is to come before Congress, as it stands at this time, giving as its reason that it is an injustice to sportsmen and good American citizens.

Word from Congressman Adam M. Wyant was that in the near future he hoped to get a carload of fish for this territory.

This was one of the largest meetings ever held by the association, the hall being taxed to its capacity.

Discuss Fire Truck.
The fire department held a meeting last evening at which the matter of taking the trucks over from the borough was discussed and will be referred back to council by the fire department. The members did not state what they expected to do.

Elks Entertain Minstrels.
Mount Pleasant Lodge of Elks last evening entertained the cast of the Elks' charity minstrel, also members and their wives at the Bank assembly rooms. There were cards and dancing, with numbers during the intermission by the cast in the show. Taking part were: Lawrence Fox, Marjorie Harwood, Joseph Storgan, Irene Gordon, Thomas Murphy, Thomas Meagher, S. P. Stevens, Crosby Thompson, Frank Cooper, Mrs. Frank Cooper, Charles Croft and Miss Lucille Kuhn. Lunch was served. Wally W. Washburn was chairman of the affair and worked in conjunction with the entertainment committee, made up of R. M. Nelson, Thomas Meagher, C. A. Sherrick, Paul E. Mullin and M. H. Steele.

DAWSON LEGION HAS ON DRIVE FOR MEMBERS

William Newmeyer Post of the American Legion at Dawson is making a special drive for new members. The display windows of B. Korngut's Store have been turned over for the Legion's use. The committee appointed decorated the window and displayed the Legion post banner, a large American flag, a picture of the unknown soldier's grave, and scenes in the World War, in particular Bessie's souvenirs of the war are also on display, consisting of swords, shells, helmets and the like. Mr. Korngut is an active member of the American Legion and is doing his bit toward making this drive successful. All ex-service men have been requested to get in touch with the official and join the legion.

Grandmother Knew

There Was Nothing So Good for Coughs and Colds as Mustard. But the old-fashioned mustard plaster burned and blistered while it acted. Got the relief and help that mustard plasters gave without the blister and without the blister.

Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders.

Gently massage Musterole in with the finger-tips. See how quickly it brings relief—how speedily the pain disappears. Try Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it may prevent pneumonia).

To Mothers: Musterole is now made in milder form for babies and small children. Ask for Children's Musterole. 35c and 65c jars and tubes; hospital size, \$3.00.

Try Sulphur on An Eczema Skin

Costs Little and Overcomes Trouble Almost Over Night.

Any breaking out of the skin, even fiery itching eczema, can be quickly overcome by applying Mentho-Sulphur, declares a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

It seldom fails to relieve the torment without delay. Sufferers from skin trouble should obtain a small jar of Rowley Mentho-Sulphur from any good drug store and use it like cold cream.—Advertisement.

Secret of Keeping Young.

Why is it that some women look older at thirty-five than others do at thirty? Why is it that so many women are always run-down, weak, pale, nervous, irritable and unhappy? Health, vitality and freedom from pain and disease alone can prevent the signs of age from fastening themselves upon women. All over this country women are awakening to the fact that the life, action and pains of women may be relieved by Lydia E. Pinkham's Vegetable Compound and the result is renewed life, energy and the glow of health. In fact, the secret of keeping young is to ward off all internal ailments that cause premature old age, which is easily accomplished by this remarkable root and herb remedy.—Advertisement.

Method Devised to Detect Renewed Eggs

A new deception practiced on the consumers of eggs is now attracting considerable interest from the United States Department of Agriculture.

which, by the authority of the food and drugs act, insists that the product of the hen when sold as fresh must be fresh and not merely look the part. If it is to enter late interstate commerce, large quantities of eggs are now preserved by first dipping in hot oil to seal the pores in the shells and are then immediately placed in cold storage. There is no objection to the practice, but recently it has been found that a number of egg concerns have been treating these eggs on removal from storage so as to give them the appearance of having been laid lately.

The treatment to remove the telltale oil gloss consists in "moulting" the shells with a blast of fine sand or in treating them with a bath in an alkali solution, after which they are dried and rubbed with French chalk or talc.

Chemists of the department have devised a method for detecting eggs which have been treated with oil and then subjected to the restoration process.

Brands Fruits and Nuts

One of the most recent applications of electricity to agriculture is the device which will brand various kinds of fruits and nuts with the grower's trade mark.

It operates on current obtained from an ordinary electric lamp socket and is not next to the grating belt in the packing shed. The product to be marked rolls from the belt onto a miniature escalator which carries it over electrically-heated dies.

These are kept at such a temperature that they will melt the natural wax in the peel or rind of the fruit and when thus prepared, other dies imprint the desired trade mark. The electrical fruit brander is now being used on oranges, water melons, apples and pecans to prevent substitution of inferior products for advertised brands.

Late Fashion Notes of Interest to All Women

The skirt with a bodice top has returned to style.

Flesh satin makes up an attractive pair of the new evening slippers to be worn with nude hose.

The Russian tunic effect is becoming more and more frequent. It is seen not only in this frock, with a series of fur at the hem, but also in long, somewhat loose coats, especially for evening wear.

Included in the list of new fashions is a lovely one in black and cream, the foundation being cream and the pattern black. Lace overdresses made of this material are worn over slips of peach or cornflower satin.

Sonia has created a sensational spring fashion by a combination of straw and fur. One hat by this Paris designer, with a crown and brim of soft light straw and a straw bow standing up behind, has the wide brim bordered with a thick band of black fur.

The Russian coronet effect, so becoming to most women as an ornament for the crown of the head, is not new built of jewels. So fond have women become of satin flowers that these coronets are made from buds and blossoms of satin velvet, and sprinkled with brilliants.

Felt Popular Novelty in Gowns, Jackets, Hats

It is in the sports clothes that the most fetching styles for young women are designed. Felt is the novelty in gowns, jackets, hats, in accessories and trimmings. These things which are not in reality made of felt are of something similar in character, so Paris announces.

In the sports dresses are the sport, straight slip-on, the sort of frock that appears to have no shape or fit, but the success of which depends, nevertheless, upon the proper cut, length, hang and shoulder fastening. To the degree of attention given to the fit of this type of gown is due the style, or the lack of style, of the woman who wears it.

It is shown in the softer materials and in shades of buff, flannel and cream-knit. Some conspicuous examples of the new felt applique stitching and embroidery are imported by the leading houses, but the better styles tend to plainness.

Coats, resembling the once popular blazer, of gay striped or bright-colored flannels, are among the new things. They are almost invariably cut straight and boxy, high at the neck and with long coat sleeves.

Flower Garnitures Are Among Late Novelties

Fetching things in flower garnitures are among the latest novelties received from Paris. The popularity of artificial flowers for trimming evening gowns, for the hair and for buttonholes has enhanced the importance of this decorative feature, and many beautiful and costly things are showing.

For a single motif on an afternoon or evening gown or wrap there is a large flower in the form of a conventionalized wild rose, made of black velvet with a center of silver dust and a line of silver outlining the petals. It is a stunning "high light" to form the only trimming.

Courtly, lovely blossoms—single and in spray—are fashions of silk ribbon and metal. Few of the after gowns, especially for evening wear, are seen without this floral touch. Nothing could be more extraneous than a frock of crisp-pleated with skirt of many layers, trimmed with trailing sprays of these flowers. The effect is quite fairylike.

All the Same

Stinkins considered himself a humorist. He sent a selection of his original jokes to the editor of a newspaper and confidently awaited a check.

His excitement ran high when he received a letter obviously from the newspaper office.

He opened it with feverish haste. There was no check, however, just a small note, saying:

"Dear Sir—Your jokes received. Some we have seen before; some we have not seen yet."

AMAZING STORIES OF QUICK RECOVERY

ALL PERSONS IN POOR
HEALTH SHOULD TRY IT

The Worcester, Mass., Gazette a short time ago carried an article in which amazement was expressed at the number of people visiting a local drug store for the purpose of securing a medicine that was being extensively advertised at the time. The proprietor of the drug store was interviewed and his statement was one of the most remarkable made in regard to any medicine. He said among other things, "We heard what this medicine was doing in other places; what wonderful results people taking it were getting and promptly paid a nice premium for the privilege of selling it here. Results for users in just a few days were so remarkable that we tell any customer that if there are disappointed after giving this remedy a fair trial we will gladly return every penny it cost them."

This most remarkable remedy had been introduced in the South before it was brought to Worcester. Its success there was so immediate and so sensational that this Worcester druggist was willing to pay a premium for the agency in his town. "We have never heard of another medicine of which as much could be said. The druggists of Connellsville have with their customary enterprise secured sales rights for this medicine, and are offering it to their trade with every confidence that it will duplicate here its success in other places."

This remedy Sulac is offered for the relief of stomach trouble, biliousness, dizziness, headache, indigestion, loss of sleep, appetite and weight. It relieves the digestion, stirs up the appetite, enriches the blood and tones up the system. It is a combination of remedies compounded by the Southern Laboratories of Atlanta, Georgia, who certify to its absolute purity and who make the same assertion of money back guarantee that the Worcester druggist spoke of.

In the next column a graduate nurse of wide experience tells of her experience with Sulac. When any remedy will do the things this lady says Sulac does, it certainly is to the advantage of everyone suffering from any form of stomach or blood trouble to give it a thorough trial. This is especially true when you stop to consider that this nurse has had a wide experience with sickness and is in position to know what she is talking about.

When a medicine will take a person with ailments like those this nurse describes or like Vernon W. Connelley's case, a statement like this counts as to the right of this and have them eating, sleeping and feeling fine within a few days it doesn't take time long to spread. News of similar occurrences spread from Atlanta, Georgia to Worcester, Mass. and from there here. And there's "It" be many people in this vicinity who within the next month will be mightily thankful that the druggist of Connellsville were enterprising enough to bring this wonderful remedy to them.

Sulac is sold by Connellsville Drug Co., A. A. Clarke and other high class druggists.

She and Husband Both Praise It

"It Put Me Back on My Feet After Months Hardly Able to Walk."

THEY FOUND SULAC
WINE BLOOD REVELED

"I happened to read in the Worcester papers of how Sulac was helping so many so I began using it too and it is wonderful as a builder and strength making tonic," declared Mrs. N. LaValley of Sudburyville. "I had used other remedies but nothing did me any good and I got so weak, bloodless and anemic that I could hardly drag around the house or do my housework. Just felt like a day after day from morning until night. My blood was so impoverished I looked pale and worn and felt even worse so you can imagine how surprised I was when Sulac in just a few days began restoring my color and giving me new strength. Each morning I got up feeling stronger until now after using it quite a while I feel like a younger woman and fine all over. My husband was so amazed the way it helped me that he started to take it and it has made a new man of him. We think it is wonderful." continues Mrs. LaValley. Hundreds of women are insisting on the husband using Sulac and giving it to the whole family. Scores of men are taking it here for the wife. It is so nice to take—works so quick—costs so little. See what a nurse says in article just below.

Graduate Nurse Endorses Sulac Recommends for Her Own Sister

Results Remarkable—Sister Praises Sulac—Tells How It Benefitted Her.

Everyone in Worcester knows Miss Mary Toothaker, graduate nurse of Worcester City hospital and at present the nurse at Green's Drug Store. This genial little lady with a vast amount of experience, is familiar with all sorts of medicine. Recently she had to make a trip to Texas to accompany her sister home. Her sister, Mrs. Albert R. Berry, has been a sufferer from poor health for the past ten years and also had had constant trouble with her digestion and stomach. After the tiresome journey during which her sister was in the hospital, she was advised to use Sulac and giving it to the whole family. Scores of men are taking it here for the wife. It is so nice to take—works so quick—costs so little. See what a nurse says in article just below.

Sulac is sold by Connellsville Drug Co., A. A. Clarke and other high class druggists.

Stomach Trouble Vanished After Taking Sulac

Oxford Man, Bilious, Often Dizzy—Green Weak, Stomach Upset Him.

NOW EATS HEARTY AND FEELS LIKE NEW MAN

"This new and wonderful medicine called Sulac has been a God-send to me," writes Vernon W. Connelley, a well known painting contractor of Oxford.

"I was so rundown, weak and sickly and my stomach was so easily upset. I hardly dared eat anything solid. My stomach would burn gas would form and I would bloat and be uncomfortable for hours. Dizzy spells before my eyes and an awful weakness would overtake me right in the midst of my work. Some say a painter is apt to have stomach trouble because of smelling paint all day. Anyhow I was in fearful shape. I hardly dared work at times but I've taken three bottles of Sulac now and I work all day long and come home still full of strength and energy. I eat three of the biggest meals you ever saw each day and food digests like clock-work. My stomach is made of cast iron."

"I've got lots of color—weigh about 190 lbs and feel better and look better than I have in ten years. Anybody suffering from any form of stomach trouble can get the same results I did," declared Mr. Connelley. Sulac relieves the digestion, stirs up the appetite, enriches the blood and tones up the whole system in a remarkable manner. Go to your druggist today and get a bottle of Sulac. You will find it the best investment you ever made."

Successful Season Is Anticipated By Captain Ball Club

At a meeting held last night plans for the strengthening of the Captain Glass baseball team were laid. It was announced another addition to the pitching staff had been secured. He is Guy Crofton, a Cumberland valley pitcher, who, according to advance information is one of the best moundmen in that region. He will alternate with Bill Heinlich, it is announced.

There was also a discussion of the improvement of the playing grounds and the erection of a grandstand and bleachers.

The season will open May 10 at South Connellsville with Smithfield as the attraction. Mount Pleasant will follow on May 17 and on May 24 a return game will be played at Smithfield.

Sulac is the most up-to-date, effective, pleasant-tasting preparation one can buy, and it is so quick, powerful and honestly good that it may be used to get results after taking Sulac treatment and giving it a fair trial—the manufacturers will refund every penny at cost. Ask your druggist about Sulac. Buy a couple of bottles this week and get a free bottle of Sulac Tablets. You'll be delighted.

Duquesne University High School will be here Saturday evening. High School will be the opponent of the visitors and the game will be the last Saturday clash at the Coker gymnasium.

Tomorrow is the first day of spring and if the weather that follows in any ways at all suitable for track work Coach J. D. Leow intends to get busy with his boys.

The Captain Glass baseball team looks like the best club that will be organized here this season. Independent baseball, according to those who have been close to it, will not be attempted. Soccer is going through with the season however, and is starting.

An Appreciation

DURING the recent sleet storm which swept over the Coke Region practically our entire power system was seriously crippled within 6 hours. Enormous damage was done and the work of many men through many years was wiped out in the space of a few hours. With an ordinary organization the West Penn Power Company could not have hoped to cope with the situation within a weeks time.

The efficient manner in which this emergency was handled and service promptly restored, demonstrates that the West Penn Power System is equipped to meet any situation. No man spared himself—clerks, storekeepers, linemen, solicitors, engineers, all gave their best in the public service. Heroic deeds were many and no one flinched nor swerved from his duty.

The promptness with which this emergency was met was due primarily to the loyalty and hard work of our employees. To them goes the credit. We may only add that it gives us great pleasure to thus publicly acknowledge our appreciation.

Unity Fraternity Drops Second Game to Caseys; Next Clash on Friday

losing Quintet Lets Down Defense in Third Period and Is Out-Distanced.

"BUCK" BAIRD REFEREE

The Unity Fraternity outplayed in the second half of the game with the Casey Club, last night dropped another game to the purple and white team. The score was 31-25, the victors making a comfortable margin in the third period.

Throughout the first half the teams battled neck and neck with first one and then another taking the upper hand. The Casey defense cracked in the second half, however, allowing the winning combination to "get by" with some easy shots. This thickened up in the latter minutes but the purple and gold quintet could not overcome their opponents then.

Struble was in form for the first five last night and Lowney was dropping them through regularly for the Casey quintet. The game was refereed by "Buck" Baird of Pittsburg. Rivalry between the teams was so keen that no local man could be agreed upon and it was necessary to send away for a neutral official.

Friday night the third game of the series will be played. It will, in all probability be handled by Beggs Snyder, another leading official of Pittsburg. Baird will be unable to

come here at that time. His work last night was very satisfactory, however.

The series between the clubs is for the best three out of five games. It is one series in which fans cannot even hint at the games being fixed because rivalry is so keen that nothing would please Casey better than to take three in a row. The Fraternity team will make a supreme effort to stop this Friday night, however, when the third game will be played at the High School. For the Fraternity to come out ahead in the series it will be necessary to take the next three games.

Last night's clash was witnessed by a larger crowd than attended the first game and it was thoroughly enjoyed. Lathusism runs at a high pitch at these games and Friday evening is expected to see another material increase in attendance. Casey rooters will be out pulling for their team to end the series with three straight victories.

The line-up:
Casey Club—27. Unity Fraternity—25.
Pritchard, F., Struble, D. Henry, F., Driscoll, Lowney, C., Seaton, Butler, G., Heinlich, P. Henry, C., R. Henry.

Substitutions—Hugus for Seaton, Seaton for R. Henry, Dowling for Pritchard, Pritchard for Dowling, White for P. Henry, P. Henry for Butler.

Field goals—Lowney 5, Struble 4.

Nelsons to Play South Union Girls

The Nelson Girls will play at the State Armory tonight with the South Union Mystery basketball girls, champion of the female teams in that section, as opponents. The game will be at 8:30 o'clock.

Some of the best talent in the county is on the visiting team, it is declared, the girls not having lost a game yet this year.

Another championship game will feature the preliminary, with the Crescent Five, claimants to the junior championship of the city, scheduled to meet the Christian Church quintet. On Saturday night the Crescents defeated the West Side Tigers.

Thursday evening the Nelson team goes to Bentleyville and on Saturday night have a return game with the Valley Girls of Turtle Creek.

TITLE CONTEST THIS EVENING AT PERRYOPOLIS

The first of the series of three games to be played for the basketball championship of the county will be played this evening at Perryopolis. The game is called for 8 o'clock. Both Redstone township and Perryopolis are on edge for the game. The teams will probably line-up as follows:

Redstone. Perryopolis.
Markle, J. Hixenbaugh, Baum, F., Butlermore, E. Steeves, C., Baughman, N. Steeves, G., Rankle, Seaman, G., Thrasher.

"FACE TO FACE"—Starring Marguerite Marsh and Cort Albertson, in the feature attraction today and tomorrow at the Paramount.

Best Manners is being tried for the murder of John Weston. Evidence is against him, for he admits breaking into the house for the purpose of stealing, and firing a revolver but insists he shot at a young, not an old man. Helen Marley, school chum of the dead man's daughter and in love with his son, Jack, does some investigating. After curious actions and remarks of Harlow, a relative, arouse her suspicions of the trial. Helen rushes into the courtroom with evidence that shows how Marley shot at his own reflection in a mirror. A letter found in Harlow's room, written by Weston to his son, explains his suicide and gives the location of certain bonds, which have been missed. Harlow is called to the stand and confesses to stealing the bonds and keeping the suicide secret so as to hide his theft.

Friday and Saturday, "Mysterious Goods" will be shown.

The Soisson

"THE STEADFAST HEART" presenting Marguerite Courtot and Harry Alden in interesting roles provides splendid entertainment today at the Soisson. If you like the theme of youth triumphant you will revel in "The Steadfast Heart." Success in life and love is sweet, even when everything rolls smoothly. Success gained in combat with an adverse fate is sweeter still. Here is a romance of the Virginia Hills in which a human being battles his way as man and boy through countless obstacles to fulfillment of ambition and love. Here is a story of a girl who casts aside pride of race to join her life with the man who was able to stand up for himself. "The Steadfast Heart" has all the powerful appeal of a Mark Twain story, all of the charm labored in the Virginia mountains, all of the punch which comes from a marvelously written story and a perfectly directed photoplay. The cast, in the selection of which Arthur Friend and Henry M. Hobart, principal executives of the Distinctive Company took a personal part, is one of the most capable ever assembled, nothing was spared to get the proper person in the part for which he was especially adapted.

Thursday, Friday and Saturday, "The Miracle Baby" featuring Harry Carey, will be shown.

The Orpheum

"THE LIGHT THAT FAILED"—On view today at the Orpheum, is a Paramount picture, with Foxy Marmont and Jacqueline Logan in the leading roles.

Opening on the new-comet of England, the picture shows Dick Hedder a boy and Maude Wells a girl, both orphans, playing together. They love each other. Years go by and Dick, now a man, is down and out and dependent upon the kindness of an innkeeper and his wife in Port Said. Dick is in despair when an uprising in the Sudan gives him an opportunity to accompany a group of war correspondents as staff artist. The sketches sent to England make him famous. With fortune favoring him he meets Maude Wells, and finds he still loves her. She inspires him to attempt something really worth while in art and he chooses a vault of the London theatres, Beeslie Broke for his model. He finishes the picture and suddenly becomes blind. In revenge upon Dick for interfering in her love affair with Torpenhow, an English war correspondent, Beeslie destroys the printing, but Dick never learns the truth. Hearing of his affliction Maude goes to Dick and cares for him. The picture closes with Maude assuring the blinded Dick her sight must do for each of them.

A Nicer Way

To clean teeth—it fights film
You owe it to yourself

This is to you who still brush teeth in old ways.

There is a newer, nicer way. It means new safety, new beauty, new delights. Millions now enjoy it. The whiter teeth you see in pictures show you one of its effects.

Ask your dealer now for this ten-day test and learn what happens may come to you and yours.

That coat is film

That viscous coat you feel on teeth is film. Under old methods, much of it clings and stays. It becomes discolored, then forms decay coats. That is how teeth lose their beauty.

Film is the great tooth enemy. It holds food substance which ferments and forms acid. It holds the acid in contact with the teeth to some degree. Germs breed by millions in it. They, with acids, are the chief cause of pyorrhea.

Film-caused troubles wear, in old days, almost universal.

New ways found

Dental science has in late years found two ways to fight that film. One disintegrates the film at all stages of formation. One removes it without harmful scouring.

These methods have proved effective. A new-type tooth paste

Protect the Enamel

Pepsodent disintegrates the film, then removes it with an agent far softer than enamel. Never use a film comb that which contains harsh grit.

If Back Hurts Begin on Salts

Flush Your Kidneys Occasionally by Drinking Quarts of Good Water.

No man or woman can make a mistake by flushing the kidneys occasionally, says a well-known authority. Too much rich food creates acids which clog the kidney pores so that they sluggishly filter or strain only part of the waste and poisons from the blood. Then you get sick. Rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders often come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage, or attended by a sensation of stinging, begin to drink soft water in quantities; also get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush clogged kidneys and stimulate them to activity, also to help neutralize the acids in the system so they no longer cause irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive and can not injure; makes a delightful effervescent lithia-water drink, which everyone can take now and then to help keep the kidneys clean and the blood pure, thereby often preventing serious kidney complications. By all means have your physician examine your kidneys at least twice a year.—Advertisement.
